

Dear Pathways Families,

Over the years, we have had lots of loyal donors supporting our school's fundraiser and we cannot thank you enough. We understand that our fundraiser may look a little different, but we are so excited for the changes this year! In the past, Pathways Elementary worked with Mega Blast for our yearly fundraiser and lost a large percentage of the money raised. So, this year, Pathways Elementary PTA is using their Givebacks platform to support the fundraiser and **100% of your donations will serve our students and school!**
