

Hi (donor name),

My school, Pathways Elementary, is kicking off their big fundraiser for the year, Patriot Palooza! My classmates and I are working hard to raise funds for our school and I am reaching out to see if you would consider making a donation. Every donation, big or small, will help us hit our goal!

You can click the link below to see my personal fundraising page. The fundraiser ends November 4th.

Thank you for your time and consideration!
